# Client Testimonial

As a disabled senior with 2 children with special needs, I needed an attorney who could advise me with my estate planning while addressing this issue. Vincent J. Russo Law Group, P.C. was recommended to me, and I began working with an attorney, Diana, and her assistant Christella. [...] Both she and Christella were knowledgeable and readily available to answer any and all questions. They even came to my home to have the final documents signed and notarized as it was difficult for me to travel to them. [...] What a blessing it is to have chosen such a gracious, professional, and competent team that I trust and also one that my children will be able to rely on.
