Client Testimonial

Everyone from this law group has been so professional but also so nice. Vincent personally came to my city to help me and already had everything and everyone in place that I needed. Someone is always available to talk to. I am so appreciative for their help and support. Anyone in the state of New York I definitely recommend Vincent. He is very knowledgeable about NY laws and will always get any issues handled.

The Peace of Mind Program

Get Started

THE PEACE OF MIND PROGRAM provides you with the security of knowing that your attorney will be accessible whenever you have questions about potential problems or opportunities related to your estate, long-term care or special needs family planning.

You have the personal reassurance of working with the trusted advisor who helped you craft your initial planning documents. You can include any and all family members under your complimentary access umbrella. And finally, for one flat fee, you can access advice that at a la carte prices would cost much more.
