## What Makes Estate Planning So Crucial for the LGBTQIA+ Community

Regardless of orientation, estate planning benefits your loved ones. For the LGBTQIA+ community, estate planning can legally protect against discrimination from others who are reluctant to recognize your relationship and who would prevent your partner from making decisions for your care should you become unable.

## Client Testimonial

I just wanted to share my appreciation for the professionalism exhibited and courtesy extended by Cathy Evans, our Case Manager. After my Mom finished reading the first draft of her Will and Trust, we drafted over a dozen questions of varying importance. As a Peace of Mind client, my Mom contacted Cathy to go over several of those matters right away. [...] Cathy's insight into my Mom's needs addressed the majority of our concerns. As a result of Cathy's effectiveness, our follow-up discussions with Deanna Eble, our Attorney, were more focused and productive. We are very pleased that my Mom is a POM client -- the program works so well because of people like Cathy Evans.
