

THE *RUSSO* REPORT

Celebrate Earth Day 2026

Earth Day reminds us to pause and reflect on how we impact our environment. Small, everyday choices add up to massive changes for our communities and the planet.

At Russo Law Group, we take our environmental responsibility seriously. That is why we transformed into a *paper light* office to minimize our environmental footprint. We also swapped disposable cups for reusable mugs and upgraded to eco-conscious copy machines and printers across all our locations.
